EXPERIENCES

Sysco LABS | Jun 2022- Present

Intern Quality Engineer

- As a Quality Engineer at Sysco Labs, I ensured software quality through manual and automated testing, defect management, and requirements analysis. I gained experience in agile methodologies, continuous integration and delivery, and DevOps practices.

EDUCATION

Computer Science | 2021 – Present

University of Westminster

- I maintain an average grade of 70.53% while pursuing a degree in Computer Science. My coursework covers programming, algorithms, and software engineering principles, and I have gained practical experience through internships.

GCE Advanced Level | 2018 – 2020

Royal College Colombo 07

- Successfully completed GCE Advanced Level in the commerce stream with I.C.T, achieving a result of 1B and 2C.
